

ALTERNATIVE PARTY 2010

SPACE, THE FORGOTTEN FRONTIER

Call for Art and Technology

Alternative Party 2010 Exhibition

Alternative Party invites artists and collectors to offer their art, technology and workshops to the art and technology exhibition at the Alternative Party 2010 at the Cable Factory in Helsinki from 22nd to 24th of October 2010.

Works we are looking for

Both new and already published works and workshops, especially ones with the following themes and categories, but are not limited to:

Multimedia - demos, videos, audiovisual content

Visual, audial and audio-visual pieces that make use of computers and digital technology

Interactive, statical, online and offline works

Any kind of installations and visual artworks related to this years theme SPACE.

Workshops & something else!

Enter your work & more information

The submission deadline is 22nd August 2010.

To enter your work to the exhibition and for more information, check the full version of this call at

<http://www.altparty.org/2010/info/programme/call-for-art-and-technology.html>

For more information, you can also contact the exhibition coordinator Riina Uosukainen exhibition@altparty.org or join us on IRCnet at the channel #altparty.

Welcome to Alternative Party 2010!

Riina Uosukainen, Alternative Party 2010 Exhibition Coordinator
Kristoffer Lawson, Alternative Party 2010 Artistic Director
